BATTLE LINE with ALAN NATHAN RETURNS DAILY on DECEMBER 6th

BATTLE LINE with ALAN NATHAN has been nationally syndicated for over 12 years and is a Main Street Radio Network production aired on both Lifestyle TalkRadio Network and Business TalkRadio Network.

After taking a break from daily talk in September 2006 (while still continuing his long running weekend show), Alan resumes his daily show on December 6, 2010 (Mon-Fri 5-7 PM ET drive time/re-feed 3-4am BTRN) while still maintaining the weekend show (Sat 6-7pm /Sun 3-4am).

Alan has been included in Talkers Magazine's "Top 100 Talk Hosts" on several occasions and his columns have often appeared in: The Washington Times, The Washington Examiner, Front Page Magazine, World Net Daily, and Insight Magazine.

Jeff Weber, Executive Vice-President of BTRN and LTRN said, "The expansion of BATTLE LINE with ALAN NATHAN to a daily show distributed by both of our networks adds yet another significant and relevant host to the talk radio landscape.

"We are thrilled to be working in partnership with Alan and the team at Main Street Radio Network," Weber added.

Jane Silk, President of Main Street Radio Network said, "Collaborating with Jeff Weber and the professionals at Business TalkRadio Network and Lifestyle TalkRadio Network has been a marvelous experience. As we now take it to that next level with *Battle Line's* return to daily radio, the possibilities become boundless.
